## EVENT HIGHLIGHTS

Scenic coastal roads, iconic lighthouse vistas, late-summer beauty – Maine Lighthouse Ride captures New England at its best. Featuring a full century (100 miles, 9 lighthouses) or metric century (62 miles, 8 lighthouses), this is the perfect “first big ride” for any cyclist – with gentle gradients and picturesque lookouts along the route for a rewarding experience.

For a shorter ocean-side tour, riders can choose from a 25-mile (7 lighthouses) or 40-mile (8 lighthouses) route that provides spectacular views of the Maine coastline.

## THE EXPERIENCE

Team In Training (TNT) will take you on an amazing journey of endurance, unselfish giving and personal discovery.

It's all wrapped up in the TNT experience. You'll be part of a team that shares and supports your commitment. Experienced coaches will help you challenge your physical limits, provide health and nutrition clinics, and keep you on track.

## THE IMPACT

The Leukemia & Lymphoma Society (LLS) drives research in areas of unmet medical need and helps bridge the gap between academic discovery and drug development.

Since LLS's founding in 1949, we've invested more than \$1.5 billion in research for lifesaving treatments, helping advance nearly every therapy used to treat blood cancer patients.
